

## **TMJ Atlas V.1.0 Registration Instructions**

*When you first launch the TMJ Atlas, you will be asked to register the product. The following is a step by step guide for completing this registration.*

### **Registration for PC Users:**

1. Double-click on the desktop icon "Launch TMJ Atlas"
2. If your computer does not have the latest version of Adobe Reader, you will be shown a prompt which will take you to the Adobe website to download Adobe Reader 8.0 or a more recent version. (Note: Version 8 or later is required).
3. Follow the download prompts on the Adobe website, and after the upgrade, you need to click on the Adobe icon on your desktop to agree with the Adobe End User License Agreement to complete the installation and your Adobe is now ready to use.
4. Double-click on the desktop icon "Launch TMJ Atlas"
5. You will be redirected to the eHuman website Registration Page.
6. You must be connected to the Internet at this point to register your Atlas. Fill in the appropriate information, and enter your product license number. Your product is now registered.

### **Registration for Mac Users:**

1. Double click on the Launch TMJ Atlas icon on your desktop.
2. If your computer does not have the latest version of Adobe Reader, you will be shown a prompt. Please visit Adobe website to download Adobe Reader 8.0 or a more recent version. (Note: Version 8 or later is required).
3. Follow the download prompts on the Adobe website, and after the upgrade, you need to click on the Adobe icon on your desktop to agree with the Adobe End User License Agreement to complete the installation and your Adobe is now ready to use.
4. After open the Adobe and you are done with the Adobe setup, double-click on the desktop icon "Launch TMJ Atlas".
5. You will be redirected to the eHuman website Registration Page.

6. You must be connected to the Internet at this point to register your Atlas. Fill in the appropriate information, and enter your product license number. Your product is now registered.
